How to access eBooks

We have a growing collection of electronic books (eBooks). These are all available to view online and/or download to your device (tablet or phone) for easy access 24/7. Accessing eBooks allows you to search within the book for specific keywords or phrases, so you can just read the relevant sections. Search our collection of eBooks online at: www.eastcheshirehsebooks.wordpress.com or following the link from the library website.

EAST CHESHIRE NHS TRUST E-BOOKS
ACCESS ALL OUR E-BOOKS WITH AN EAST CHESHIRE NHS ATHENS ACCOUNT!

Search by keyword (words in the book title or author)

Browse by broad subject areas

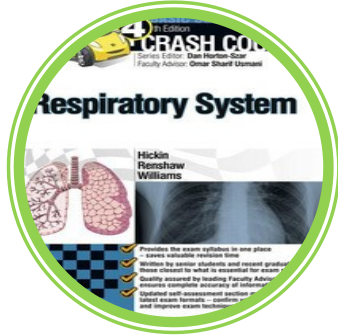

Click on keywords in the tag cloud to browse relevant books

Click on a book to open the fulltext. Enter your NHS Athens details when prompted. If you are not prompted, look for the 'Athens Login' option.

Our eBooks are purchased from a number of different suppliers so the interfaces are slightly different. The main suppliers are: Oxford Medicine (all the *Oxford Handbooks* and *Oxford Textbooks* series), EBSCO and DawsonEra.
