August 2022

### Library News

It's August, so that can only mean one thing in the NHS ... welcome to the new doctors! The library has lots of resources and services which will help our new medics to save time, keep up-to-date, and provide the evidence-base to support decision making. The first thing we'd recommend to all our new clinical staff is to register for an NHS Athens account - <https://openathens.nice.org.uk> - free to set up and use, this is the key to accessing all our online resources: journals, e-books, clinical decision support tools like UpToDate and BMJ Best Practice, and more. If you would like a quick demo of any resources, just get in touch or call in. More information is available on our website: [www.eastcheshirenhslibrary.net](http://www.eastcheshirenhslibrary.net)

We are currently seeking feedback to evaluate the KnowledgeShare alerts which we send out every fortnight to over 400 trust staff. There is a very short online form: <https://forms.gle/siN9g84m4LUKKyy38>. We would be grateful for your feedback.

Laptops are available to borrow from the library for online training & meetings

### EAST CHESHIRE NHS TRUST BOOK CLUB

We meet once a month at lunchtime, with online chat if you are unable to join in person.

Contact the Library for more information  
Tel: 01625 66 1362  
Email: [ecn-tr.StaffLibrary@nhs.net](mailto:ecn-tr.StaffLibrary@nhs.net)

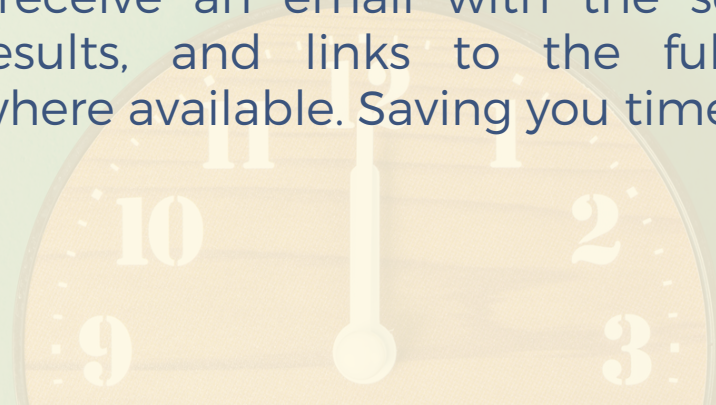

### Summer 6 book challenge

The reading challenge runs until 16th Sept so there's still time to enter!

### Evidence searches

If you would like an evidence or literature search email the search question to the library and we will perform the search for you. You will receive an email with the search results, and links to the full-text where available. Saving you time!

### How Do I ... ?

#### Register for an NHS Athens account?

Complete the online registration form and follow the link from the confirmation email. Ideally use your NHS email address and a Trust PC. Any queries contact the library.
