Library News

The library Book Club, which launched in 2021, is growing steadily. Over 20 members of staff now join the monthly reading group which meets at lunchtime. Even if you can't attend in-person or online we have an online chat so anyone can join in. Get in touch if you'd be interested in joining!

The new NHS Knowledge & Library Hub, and new database platforms, are now available for all staff - we can give you &/or your team a quick demo, or in-depth literature searching, get in touch or call in. More information is available here: www.eastcheshirehslibrary.net/evidence.html

NHS Discovery

Health Education England has launched a new resource discovery system, the **NHS Knowledge and Library Hub**. It offers an intuitive search experience for quick searches and options for in-depth database searches. Search journals, e-books, online resources like BMJ Best Practice and more from a single search.

You will need to sign in with your NHS Athens account to access the resources.
