What is the role of the PEF?

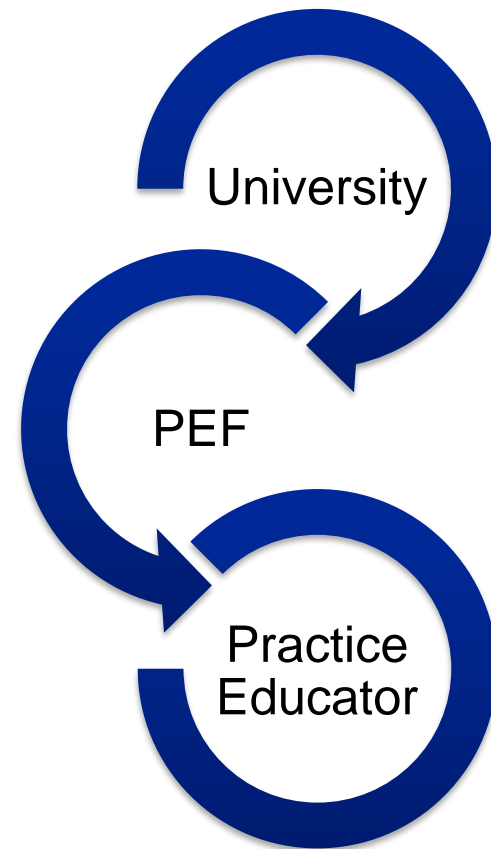

“ensuring the provision of high quality multiprofessional learning environments...required to work locally within services where interprofessional learning opportunities can be promoted...required to support the breadth of the student experience”

Provision of support and advice for all students, practice assessors, supervisors and educators

Why are PEFs in post?

“To provide support to the Practice Educator and throughout the student journey”

Help bridge the gap between theory and practice. Tripartite support relationship.

When should I contact a PEF?

Support strategies relating to,

- Student assessment curricula structure/information
- Student progression issues
- Placement quality
- Additional learning needs
- Reasonable adjustments

Enhancing the learning environment

Educational
Audits

(IPL) opportunities

Where can I find a PEF?

What is the monthly meeting?

- ✓ 'This hybrid meeting is **for you**, **about you** and to **support you**'
- ✓ A chance to meet either face-to-face or, virtually via Microsoft Teams, to 'check-in' and ensure you are receiving support
- ✓ Opportunity to discuss issues away from the placement area with learners from other disciplines/cohorts/universities, always mindful of confidentiality
- ✓ Practice Education Facilitators (PEF's) are on hand to help with any issues raised

How will it benefit me?

- ✓ **The meeting contributes to your placement time**
- ✓ You can share your experiences good or, not so good and gain solutions to issues that a peer is experiencing
- ✓ Great for peer support for example, information about meeting competencies and spoke placements, sharing difficulties that you have overcome or, need help with
- ✓ **Attendance certificates can be provided on request**
