

QI Evidence Update

January 2022

Welcome to the latest copy of the QI Evidence Update.

The aim of this publication is to bring together a range of recently published research and guidance that will help you make evidence-based decisions.

Accessing Articles

The following abstracts are taken from a selection of recently published articles.

If the article is available electronically, then there will be a blue link in the abstract. [Press CTRL and click to open the link. You will need to be registered for NHS Athens (see below) to be able to access the full text.] If the full text is not available electronically we may be able to obtain the document through our document supply services.

NHS Athens

Athens passwords allow you to download the full text of articles, where the Trust has a subscription. These are noted at the end of an abstract. To register for a free NHS Athens account please log on to:

<https://openathens.nice.org.uk/>

If you would like help in registering and using NHS Athens accounts, please contact the Library & Knowledge Service.

If you would like to order a copy of the full paper

If we don't have full text access please contact the Library & Knowledge Service, details below. There is sometimes a small charge for using the document supply services, depending where we can source items from.

Library & Knowledge Service

We are located on 2nd floor, New Alderley House and are staffed from 8.30am to 4.30pm Monday to Friday. 24 hour access is available, just swipe in with your Trust ID badge. You can issue and return books using the self-service kiosk, access the PCs and study facilities.
