Keeping up-to-date

KnowledgeShare is our targeted current awareness service. We'll email you when we find high-impact publications in your specific area of interest. We also produce **Updates** and **Bulletins** in broader subject areas.

LibKey Nomad is a free web browser extension which provides quick, easy access to our full-text content. When you are searching scholarly websites the LibKey Nomad extension will show you if the article is available via our full-text subscriptions, with a button to directly access the full-text. If an article isn't available in full-text LibKey Nomad will provide a pre-populated form allowing you to seamlessly request the article from the library. More information:
